Hospital Visits/Sick

Calls: Due to data protection, hospitals are no longer able to provide visiting clergy with a list of those in hospital. Therefore, if you would like us to visit someone in hospital, you are asked to give their name and exact location in the hospital so we may visit. Also, if a family member, neighbour or friend is ill and cannot attend Mass please let us know.

Fr. Paul Montague

Welcome to Holy Redeemer Parish! On behalf of myself and Fr. Neil I am delighted to have you join our parish family.

At Holy Redeemer Parish we know that we are all individual parts of the mystical Body of Christ. Working together, we find great joy in doing God's work here on earth. I invite and encourage you to join us as we pray and work together.

If there is anything I can do to help you in your journey to grow closer to God, please do not hesitate to contact me. Our parish is proud to offer many opportunities for parishioners to come together in faith. However, if there is a personal or family need that requires individual attention, know that our parish team is always here to assist you.

I pray that you may find warmth and happiness in our parish and I look forward to getting to know you personally in the weeks and months ahead. God bless you and your family.
